

THIS YEAR'S CHARITIES

Wokingham & District Citizens Advice Bureau

Wokingham CAB Provides a free, confidential and impartial problem solving advice service to the residents of Wokingham and Wokingham Borough regardless of race, gender, age, sexuality or disability. We can help you on any subject including welfare benefits, debt, employment, consumer issues, housing, legal, relationship, health, tax, community care, education, utilities and immigration. This includes mediation and representation where appropriate.

You can contact us on 0844 499 4126 or public@wokingham-cab.org.uk or call into our office in Market Place, Wokingham (next door to WH Smith) or in Woodley (next to the library).

Come and see us on our Winter Carnival stall near WH Smith.

Daisy's Dream

Daisy's Dream is a local charity supporting children and their families throughout Berkshire affected by life threatening illness and bereavement.

The Wokingham district accounted for 16% of the support offered in the county last year at a cost of £48,000 – each year we need to raise £300,000 to maintain and develop the service so that children can receive support when they maybe at their most vulnerable.

The Link

The Link Visiting Scheme is delighted to be part of the carnival - but please spare a thought for those elderly residents who cannot get out and share the fun. For one reason or another many older people feel isolated and alone - but it need not be that way! We can provide volunteers to visit such people in their homes. Through regular visiting these volunteers build friendships and a sense of self worth. They encourage their new friends to venture out socially to coffee mornings, pub lunches and seasonal parties - all organised by the Link Visiting Scheme. Together we are reaching over 130 isolated elderly people within Wokingham Borough - but that is just the tip of the iceberg.

Please help us to reach more people by making a donation. To donate £10 simply text the message "TLVS00£10" to 70070. Texts are charged at your mobile phone operator's standard rate. The charity will receive 100% of your donation. You must be 16 or over and please ask the bill payer's permission.

Or perhaps you would like to become a volunteer - please phone 0118 979 8019 or e-mail mike@linkvisiting.org to find out more.
